# ABOUT SWADEEP

Swadeep was established in 2005, focusing on sustainable and integrated Development of the vulnerable. Mission of Swadeep is to work for the empowerment of vulnerable communities in under-serviced areas with a special focus on Children & Women. Swadeep believes that an Improved Education through Social Service mode will enable disadvantaged groups to become self-reliant and emerge out of the clutches of poverty. Our efforts have developed lasting association with government, non-government and corporate organizations as also with the communities and groups with whom we work.

## EDUCATION

Swadeep has been working for improving the quality of education with special focus on strengthening learning levels from pre-primary to primary grades onwards and support children to complete schooling.

## Pre-Primary Education: (Work with Anganwadi)

While "primary education provides the fundamentals of all formal learning", pre-primary learning may be called the foundation for both education and personal development. Swadeep aims to strengthen pre-primary education system through Capacity Building of Stakeholders. The approach is to make pre-primary education more joyful for the ICDS Toddlers by introducing a multi-level learning support program. We have created a well-structured curriculum and provide resource materials which cover eight key aspects of Pre-primary education:

- **Approaches To Learning**
- **Social And Emotional Development**
- **Mathematics**
- **Creativity**
- **Science And Technology**
- **Social Studies**
- **Language, Literacy And Communication**
- **Physical Development And Health**

Efforts are made to help the AWW and AWH with adequate pre-primary pedagogy and support with '*Montessori Play & Educational Equipment*' aids so they can carry out some pre-primary educational activities with the children.

**482 ICDS centers and 11,000+ ICDS children are covered.**

Swadeep is closely working with Administrative department of U/T Dadra Nagar Haveli on training and capacity building of Anganwadi Worker & Helper and Supervisors of 315 ICDS Centres of U/T.

## Elementary Education:

### ■ Learning Resource Centers (LRC):

LRC addresses learning deficits of children by creating a learning intervention encompassing the diversified learning needs of primary grade children. The LRC focuses on basic education support, particularly in the areas of Math and Language, for which methods used are; Activity based learning, group work, games, art and craft and teaching learning materials. They are used to bring students to age appropriate learning levels.

## Digital Education:

Swadeep, to promote digital education in rural area provides the platform where students get this opportunity to learn digitally. Under various field based projects we have established smart classes for govt. school children with necessary equipment and content.

**50000 children across 295 Primary Schools 60 Learning Resource Centers/ Extra Coaching Classes**

## Beyond Elementary:

Swadeep Programs beyond Elementary Education includes- High School Support, Science on Wheel, Adult Literacy, Open Schooling and others.

**27 Secondary and High Schools covered.**

**5000 students.**

## HEALTH

Sensitize the Community on Personal Hygiene, Safe Drinking Water, Dispose of Solid and Liquid waste management, Promoting Use of toilets, Road Safety, Fire Safety, Cleanliness Drive, Hand wash technique, promoting better health practises, General awareness on Healthcare schemes etc. in schools and villages.

Dental Hygiene Program (Mobile Van)

Specialized Health Camps

## LIVELIHOOD

Swadeep has been working on one of the key thematic interventions under the Livelihoods portfolio which is fisheries livelihood development. Since 2013 Swadeep has been working for upliftment of fishermen community in Mundra, Kutch and later at Jafrabad Taluka in Amreli. The main objective of fisheries livelihood project is to ensure holistic development of livelihood option for fishermen. The project focuses unto establishing collaborations with Government on various projects through the existing schemes. Also a skill enhancement programme centered on their current livelihood system is implemented.

**Fisheries Information Center**

**Providing equipment and tools for fishing**

**Training and Capacity Building of Fishermen/Women**

**Government Scheme and collaborations**

**400 fishermen household and population of 6000 people covered.**

## RURAL INFRASTRUCTURE

The organisation's work highlight in the thematic area of Rural Infrastructure Development is as under :

- School ground infrastructure development project - Providing playground equipment (indoor and outdoor), school library, 'Beautification of school grounds' including painting work and tree plantation etc.
- Anganwadi Beautification work- Anganwadi center wall painting with educational content such as vegetables, flowers, fruits, vehicles, animals, colors, shapes, numbers, alphabets, cartoons etc.
- Solar Street Light Installation Project.
- Activities like supporting the setting up Hi-Tech infrastructure and Educational aids for school.

## DISASTER MANAGEMENT
